

He is Everywhere I Go

VERSE 1:

Some may wonder where is this God of Israel
They say we've never see Him So how are we to know
Just take a look at this homeward road I'm traveling
And you will see a mighty God everywhere I go

CHORUS:

He's in the eye of my storm, The bottom of my ocean
The morning and the midnight, And every wind that blows
On the top of my mountain, The lowest of my valleys
Where is God, He's everywhere I go

VERSE 2:

Three Hebrew Children they found Him in the fiery furnance
Bartimaeus found Him on the road to Jericho
Paul and Silas they found Him in a dark cold dungeon
Wherever we are that is where I God will go
